Registration Fee: \$50 per person (due before or on Captain's Meeting Night- One check from each captain)

Minimum Requirements per Team:

St Baldrick's Fund Raising Team Minimum Expectation is based on the # of players on the roster X \$30. (ex. A team of 7 would need to raise a min. of \$210. A team of 20 would need to raise a min of \$600) This threshold is based on the expectation that every player should be able to raise \$30, but this is a team goal so there are not penalties for any individuals.

Donation criteria- Team collections will be tracked from each Team's page on the St Baldrick's website. Individual and Sponsorship cash donations applied to individuals SB site on that team. Team members that are sponsors or solicit sponsors that write checks to SARC will count towards the team goal. In-kind sponsors will be considered towards the team goal based on the value of their contribution only the first year of sponsorship. Mulligan purchases will NOT count towards team goal.

Penalty for Not Meeting the St Baldrick's Minimum Expectation - The team will have until the end of the year to complete their Team Goal. If not met, they will NOT be able to submit a Pre-registration the next year. They will be subject to forfeit their slot if there are new teams on the waiting list the next year. If there are multiple teams with the Pre-registration penalty, the Forfeit ranking will be based on the amount that was raised that prior year and money raised so far the current year.
