

You and your family are invited to attend the
2022 Senior Growler Volleyball Event

at Crabtree Swim Club ~ Crabtree Beach

3305 Fairhill Drive

this Saturday, August 20th

This annual fundraising event helps to raise money for childhood cancer research in cooperation with the St. Baldrick's Foundation. Various swim clubs from the North Raleigh area have come together for the last 15 years to support this cause. Last year alone, we raised over \$130,000 and we plan to raise even more this year with your help. The Senior Growler event is one (1) of eight (8) separate Growler gatherings that involve six (6) different swim club teams that play each other to make up this family-oriented tournament.

On Saturday, the 1st volleyball game of the tournament begins at 3:30PM. Fresh BBQ sandwiches from Glen Forest's own – Butts & Mutts, along with Wicked Links Hotdogs and Frito-Lay's Chips served at 6PM.

Bring your family and friends, along with a bag chair to watch the games & share in this fellowship. Food and drink tickets can be purchased at the registration table and are: \$15 per non-player for food/donation, Children 5 years old and under – food is free. \$5 non-member guest fee per person of all ages to swim.
